Suspicious Vehicle in the Town of Fort Smith approaching Youth

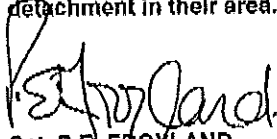

The Fort Smith RCMP received complaints of a suspicious van attempting to speak to youth and children in the community. The vehicle, described as a white or off-white van, had approached these youth and asked them to speak to them, making the youth suspicious and concerned. It is believed that these incidents were not related.

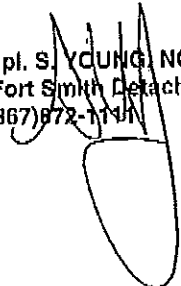

The youth involved in both complaints did the correct thing by reporting it to their parents and then police. The RCMP continue to encourage parents, youth and other community members to report suspicious vehicles, incidents or people that they have any concerns about.

The Fort Smith Detachment is still investigating these incidents and will continue to provide updates to the public as they become available.

Both Joseph Burrell Tyrell School and Paul William Kaeser School are aware of these incidents and continue to monitor the matter, along with the Royal Canadian Mounted Police, Social Services and other support agencies.

Any persons with information or concerns is welcomed and encouraged to contact the Fort Smith Detachment, or a detachment in their area.
