Dear Ms. Thomas:

**Town of Fort Smith – 2024 Certified Assessment Roll – First (1st) Revision**

Enclosed, please find one copy of the 2024 Certified Assessment Roll - 1st Revision, for the Town of Fort Smith.

Department of Municipal and Community Affairs (MACA) has made the decision to delay the mailing of the 2024 Notices of Assessment for the 2025 taxation year. This decision has been necessitated by the ongoing Canada Post strike, which has significantly impacted the delivery of mail across the Northwest Territories.

Section 27(1) of the Property Assessment and Taxation Act prescribes a strict timeline for the mailing of Notices of Assessment, which MACA and various municipal taxation authorities are currently unable to meet due to the disruption in postal services. To ensure compliance with the Act while maintaining the integrity of the property assessment and taxation process, MACA is initiating a "variation of time order" under section 112 of the Act.

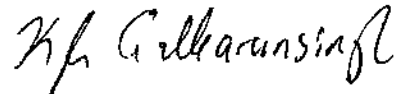

This order will temporarily extend the timeline for mailing Notices of Assessment from "within 21 days" to "within 123 days." Additionally, as this delay impacts the timelines associated with appeals to the Territorial Board of Revision, the order will extend the decision-making deadline in section 44.1 of the Act from "no later than March 31" to "no later than August 1."

MACA recognizes the importance of timely communication with property owners and taxation authorities. While the strike persists, we are exploring alternative methods of disseminating critical information, including electronic distribution where possible. Once the postal strike is resolved, MACA will expedite the mailing of Notices of Assessment to ensure minimal disruption to property owners and taxation authorities.

We appreciate your understanding and cooperation during this period. If you have any questions or require further information, please do not hesitate to contact.

Please call me at (867)-767-9165 ext. 21097 if you have any questions.

Sincerely,
