FireSmart Activities: Field Street to Wilderness

The Town of Fort Smith advises residents that FireSmart activities will be taking place in the woodlot area from Field Street to Wilderness from November 16 to November 30, 2026.

As part of this work, controlled burning will be conducted under an approved burn permit. Residents may notice smoke and activity in the area.

All burning will be carried out in accordance with the conditions of the permit and applicable fire safety regulations.
