

## How to Find DVDs in the NWT Public Library Services Online Catalogue

Go to <https://nwte.sirsi.dynix.net>, or search for NWT Library Services, then choose Online Catalogue, then NWT Library Network.

The screenshot shows the top section of the NWT Public Library Services website. At the top left is the Northwest Territories logo, which features a white bear silhouette on a blue background with the text "Northwest Territories" below it. To the right of the logo is a blue gradient header with the text "NWT Public Library Services" in white. Below the header is a navigation bar with links: "Search/Home", "Catalog Searches", "New Books", "Look for Articles", "Find It Fast!", "E-books", and "My Account". Below the navigation bar is a green bar with links: "Go Back", "Help", and "Logout". The main content area is titled "Quick Search" and contains a search form. The search bar has the text "DVD" entered. To the right of the search bar is a dropdown menu with "words or phrase" selected and a "Search" button. Below the search bar is a "library:" dropdown menu with "Mary Kaeser Library - Fort Smith" selected. At the bottom left of the search form is a link for "Power Search".

This will give you a list of the DVDs in our collection. Generally, the first items on the list are newer items, and they get older the further you go through the list.

If you know the title of the movie or TV series you want to watch, enter it in the search bar and change "words or phrase" to Title in the drop down menu.

Once you've found some DVDs you'd like to borrow, contact the library at [mkl-admin@fortsmith.ca](mailto:mkl-admin@fortsmith.ca) or by phone at 872-0362 or place the item on hold yourself using your log in information.
